The screenshot shows the search interface of the National Library of Taiwan. At the top, there are navigation links: "簡易查詢" (Simple Search), "進階查詢/指令查詢/智慧型選題" (Advanced Search/Command Search/Smart Selection), and "功能說明" (Help). Below these is a search input field with a "Search" button and a "查詢字詞擴展" (Expand Search Terms) button. The search options include: "論文名稱" (Thesis Title), "研究生" (Graduate), "指導教授" (Advisor), "口試委員" (Oral Exam Committee), "關鍵詞" (Keywords), "摘要" (Abstract), "參考文獻" (References), and "不限欄位" (All Fields). The search mode is set to "精準" (Precise). The search criteria include "全文類型" (Full Text Type), which is circled in red, and "電子全文" (Electronic Full Text) is selected. Other search criteria include "期刊" (Journal), "學位論文" (Thesis/Dissertation), and "拉丁語" (Latin). At the bottom, there are filters for "過去" (Past) with options for 1天, 7天, 14天, 30天, 180天, 1年, and 歷年 (All Years). There are also "熱門檢索詞" (Popular Search Terms) such as "青少年", "奇幻", "新產品開發", "成長", "性別", "態度", "法律", "學校", and "電子商務".
